## CABERNET SAUVIGNON 2021

### PASO ROBLES

"The individual lots for this wine spent months aging separately in French Oak, before I hand-selected the final blend. The result is richness yet restraint - allowing this Cabernet to be paired with an array of cuisines or simply enjoyed on its own.

On the nose, there are lovely aromas of Satsuma plum, red currant, anise, and a dusting of baking spices from the French oak aging. On the palate, I get the flavors of juicy black cherry, raspberry, and milk chocolate. The finish is smooth with well-integrated tannins. It's opulent, richly textured, and beautifully balanced."

WINEMAKER ABIGAIL HORSTMAN

#### PASO ROBLES AVA

- Paso has the greatest diurnal temperature swing in California, experiencing a 50° difference from day to night. The hot days ensure grapes develop complexity, while cool nights prolong the growing season, allowing grapes to fully mature while maintaining acidity.
- The region's diverse mineral-rich soils, particularly those with calcareous composition, imbue the wine with a distinct minerality.
- Hand-selected lots spend 13 months aging in 100% French Oak, before being blended. Small amounts of Syrah and Petite Sirah, which also thrive in Paso, were added for structure and depth.

## OUR VISION

"My family's original quest was to craft 'textbook' expressions of varietal and appellation. For nearly two decades, we've fulfilled that vision - making exceptional, while approachable Cabernet Sauvignon that truly represents the best a region has to offer.

To continue that commitment, we've traveled to Paso Robles situated in Central California. Cabernet grown in this appellation has beautiful concentration and depth due to the warm climate, while fruit still exhibits freshness as a result of the region's unique terroir."

— Jonathan Pey, Founder

## WINEMAKING EXCELLENCE

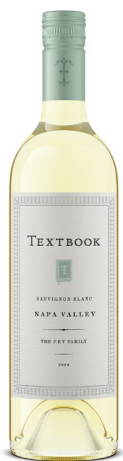

**European Sensibility** - TEXTBOOK was inspired by the Pey Family's travels in France and Italy, where they learned about wine and its place at the table. While abroad, they fell in love with European craftsmanship – wines made with structure, restraint, and revealing a 'sense of place'.

**Long-Standing Relationships** – Our high-caliber grower and producer partners provide us with superior lots, allowing us to consistently deliver complexity and quality vintage to vintage.

**Diversity of Terroir** – Winemaker Abigail Horstman sources small lots from a range of climates and soils, providing a diverse palette of flavors and aromatics.

## CRAFTSMANSHIP

Winemaker Abigail "Abi" Horstman honed her winemaking chops in Italy, New Zealand, and Israel and worked for prestige brands like Markham, Domaine Chandon, and Robert Mondavi in Napa Valley. She crafts our wines by keeping the lots separate, tasting them throughout the year, and then integrating the components to create balanced, complex wines that can be enjoyed independently or with various cuisines.
